1.1 AIIMS, Kalyani

All India Institute of Medical Sciences was established by an Act of Parliament as an autonomous institution of national importance Under the Pradhan Mantri Swasthya Suraksha Yojana [PMSSY] similar to AIIMS New Delhi and its objectives and functions were defined. By virtue of this Act, the Institute awards its own medical degrees, diplomas and other academic distinctions. The degrees awarded by the Institute under the All India Institute of Medical Sciences Act are recognized Nursing qualifications by the Indian Nursing Council are deemed to be included in the first schedule of that Act, entitling the holders to the same privileges as those attached to the equivalent awards from other universities of India. The nursing college started its first academic session on 1st March 2022 with its first batch of nursing students with an uptake of 60 students. The admission process is being conducted through the common National Eligibility cum Entrance Test (Undergraduate) For NURSING by the National Testing Agency (NTA).

The Institute (AIIMS, Kalyani) is a residential University in which the faculty members, staff and the students live on campus. There are hostels for undergraduate and nursing students inside the campus.

AIMS & OBJECTIVES

2.1 Mission

Main mission is to establish a centre of excellence in nursing education, training, health care and research imbued with scientific culture, compassion for the sick and commitment to serve the underserved.

2.2 AIMS

Correcting regional imbalances in the availability of affordable and reliable tertiary healthcare services and also to augment facilities for quality nursing education creating a critical mass of nurses and conduct research in the country relevant to the area.

2.3 OBJECTIVES

- a. To develop a pattern of teaching in undergraduate and postgraduate nursing education in all its branches so as to demonstrate a high standard of nursing education to all nursing colleges and other allied institutions in India.
- b. To bring together in one place educational facilities of the highest order for the training of the personnel in all important branch of the health activity.
- c. To attain self – sufficiency in post graduate nursing education

*Hostel accommodation will be provided subject to availability

The details of mode of payment would be intimated to the selected candidates in due course.

6.3 ATTENDANCE

A minimum attendance for passing the **B.sc (Hons) Nursing** course is mandatory.

A candidate must have minimum 80% attendance in theory and 90% in practical (irrespective of the kind of absence) for appearing in examination. However, in extreme circumstances beyond the control of the candidate 5% waive off of attendance may be done by the Dean Academics. A candidate must have 100% attendance in each of the practical areas before award of Degree.

Any student with attendance less than the above norms will NOT BE PERMITTED IN THE final Examination.

6.4 ATTEMPTS

1. Students would only be permitted to take final examinations if they get at least 50% marks in each subject in internal announcement.
2. If a candidate fails in the subject (either theory or practical) has to appear in the examination for both theory and practical paper of that subject.
3. If a candidate fails in any subject, maximum three attempts (including first attempt) are permitted for each subject.
4. A candidate, who fails in up to two papers, shall be admitted provisionally in the next year, but she has to clear those papers in next two subsequent examinations. If the candidate taking supplementary examination along with next year examination her result of next class will be declared only if she passes previous examination. Incase if she fails to clear supplementary examination in two subsequent attempts she would deemed to have failed.
5. If any candidate who could not pass all the subjects in 3 chances, including the regular chance, their result shall be declared as failed and she has to appear in all the subjects of that year in the subsequent annul examination
6. A candidate failing in more than two subjects will not be promoted to the next year and she has to appear in all the subjects of that year in subsequent annul examination without attending the regular course of instruction. However, if candidate wish re-attend the course of instruction of that year; she may avail this opportunity by paying the prescribed fee of that year. Furthermore, candidate may have a provision to improve the internal assessment marks of that year.
7. The maximum period to complete the course successfully should not exceed eight years.

6.5 WEIGHTAGE FOR INTERNAL MARKS

Twenty five percent of marks in the summative examination would be calculated from the daily evaluation and end semester examination marks.

A Candidate has to pass in and practical exams separately in internal assessment.

6.6 COMPULSORY INTERNSHIP TRAINING

- i. Six months compulsory internship starts after theory and practical training in five subjects of the fourth year of the course.
- ii. During internships students will be posted in all three shift duties and assume all the responsibilities of patient care in assigned area under the supervision of teacher/ faculty of the Department of Nursing/ College of Nursing.
- iii. Internship / Integrated practice is 8 hours of clinical duties per day.
- iv. Calculation of hours during internship to be done as 8 hours per day @ 48 hours per week.
- v. **Fourth year final examination to be held only after completing internship.**
