

- NAME- Dr. Sourav Chowdhury
- DEPARTMENT : Neurosurgery
- QUALIFICATION : The qualification details are enlisted below

**QUALIFICATION DETAILS:**

<b>EXAMINATION</b>	<b>UNIVERSITY</b>	<b>YEAR OF PASSING</b>
MBBS	D.Y. Patil Medical College Kolhapur, Maharashtra	2015
Final Part 1 DrNB neurosurgery examination(held at the end of 2 <sup>nd</sup> year )	National Board of examinations, New Delhi	2019
Final Part 2 DrNB Neurosurgery examination(held at the end of 5 <sup>th</sup> year )	National Board of examinations, New Delhi	2022
Senior Resident	Department of Neurosurgery, AIIMS Kalyani	July 2023-Jan 2024
Assistant Professor	Department of Neurosurgery, AIIMS Kalyani	Jan 2024- Present

- **ABOUT MYSELF** : Achieving excellence in every task assigned through hard work and sincerity to the best of my ability and to embark on a career, which can give personal growth and satisfaction by becoming an asset to the organization, as well as getting involved in research and clinical trials through the best of my knowledge.
- **AREA (S) OF INTEREST** : Neuro- oncology and Skull base surgery, Endovascular surgery, Minimally invasive spine surgery, Functional neurosurgery

- **RESEARCH PUBLICATIONS AND /OR BOOK CHAPTERS ( IN LAST FIVE YEARS ) :**
  - Coauthored on the paper “ Atypical Teratoid/ Rhabdoid Tumour of the lateral ventricle presenting with spinal metastasis ” published at Journal of pediatric neurosciences in February 2023
- **RESERCH GATE/PUBMED LINK/GOOGLE SCHOLAR LINK :**
- **COMPLETED AND ONGOING FUNDED RESERCH PROJECTS :** Intramural project proposal submitted on topic “ Randomised control study on subdural drain placement vs no subdural drain placement after burrhole evacuation of subdural hematoma under MAC”

**ACHIEVEMENTS : (AWARD/PRIZE, PROFESSIONAL RECOGNITIONS, ETC ) :-**

1<sup>st</sup> prize in “SMART” debate competition held in 2<sup>nd</sup> year MBBS.

- Awarded 2<sup>nd</sup> prize at Neurosciences quiz at the Kerala NSI conference meet at 2020

- 1<sup>st</sup> prize in Paper presentation on Incidence and Clinical course and predictive factors for Post-Operative Diabetes Incipidus in patients with pituitary adenoma operated by trans-nasal,trans-sphenoidal endoscopic approach in Medica 11th Masterclass Neurosurgery Workshop in June 2022 at Kolkata.

**ACADEMIC PRESENTATIONS-**

1. Presented a paper on Decompressive craniectomy in traumatic intracranial hypertension at Kerala Neurological society of india 2017 meet at Kochi.
2. Presented neurosurgical case presentation at EXAMINONLINE Platform thrice (2021,2022)
3. Presented “ an unusual case of pregnant patient with spinal tumour” at CME conducted at Aster Medcity in June 2018
4. Presented a poster on ‘Case series of lateral ventricular tumours’ at Kerala NSI meet in 2020 at Mallapuram, Kerala.
5. Presented a paper on Utility of Rotterdams scoring system in patients undergoing decompressive craniectomy in traumatic brain injury patients at Kerala NSI meet at Kovalam in 2022.
6. Presented a poster on “Case series on tentorial meningioma” at ISNOCON 2022 at Gurgaon.
7. Presented an “interesting case of pituitary macroadenoma” at Kerala NSI interim virtual meet in Dec 2020.
8. Presented “a case of vestibular schwannoma” in Nov 2022 at Kerala NSI teaching sessions.
9. Presented a poster on “Utility of rotterdams scoring system in patients undergoing decompressive craniectomy in traumatic brain injury “ at the 9th Walter E Dandy World Congress and 6th Walter E. Dandy India Educational Course at Jaipur.
