Performance Security will be discharged after completion of contractor's performance obligations (including Warranty/Guarantee period) under the contract. In case the contractor fails to deposit the said performance guarantee within the period including the extended period if any, the Earnest Money deposited by the Contract or shall be forfeited automatically without any notice to the contractor.

4. The Tender paper/documents can be seen/ downloaded from Official website. For any query, Superintending Engineer, Phone: 8902499295 or Procurement Cell, AHMS Kalyani Phone no (033)-29991575 may be contacted.

#### 5. Scope of work:

- 5.1 The lift shaft is already constructed and covered with brickwall. The contractor has to design the lift and accessories as per the shaft size available and as per specification mentioned in the tender documents.
- 5.2 The site shall be handed over to the contractor 'as- is-where-is' position and all the civil work related to satisfactory commissioning of the installed lift shall be carried out by the contractor.
- 6.3 The contractor, within his quoted rates, has to do the following:
  - I. Supply, installation, commissioning, testing and obtaining certificate from Central Electricity Authority for energization of lift
  - II. Preventive maintenance and defect liability of 1 year after commissioning and certificate whichever is later.
  - III. 3 years comprehensive maintenance after above mentioned defect liability period.

Digitally signed by MUGUNTHAN Date: 2024.11.14 18:02:43 IST

- IV. Minor civil and electrical works necessary for installation of equipment, foundation, making of opening in walls or in floors and restoring to their original condition, finish and necessary grouting etc. as required.
- V. Supply and installation of landing facia plates made of steel, car apron plates, sill support angles with necessary clamps, foundation bolts supports etc., as are necessary in connection with the installation of the lift.
- VI. Steel ladder to be provided for access to lift pit wherever required under regulations.
- VII. The work is turnkey project. Any item required for completion of the project but left in-advertantly shall be executed with in the quoted rates.

The work to be carried out under the Contract shall, except as otherwise provided in these conditions, include all labour, materials, tools, plant, equipment and transport which may be required in preparation of and for and in the full and entire execution and completion of the works. The descriptions given in the Schedule of Quantities shall, unless otherwise stated, be held, to include wastage on materials, carriage and cartage, carrying in return of empties hoisting, setting, fitting and fixing I position and all other labour necessary in and for the full and entire execution and completion as aforesaid in accordance with good practice and recognized principles.

## 6. Sufficiency of Tender:

The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which rates and prices shall except as otherwise provided, cover all his obligations under the contract and all matters and things necessary for the proper completion and maintenance of the Works.

7. Discrepancies and Adjustment of Errors:

The several documents forming the contract are to be taken as mutually explanatory of one another:

- 7.1 In the case of discrepancy between Schedules of quantities, the Specifications and / or the Drawings, the following order of preference shall be observed.
  - a) Schedule of quantities
  - b) Technical specifications
  - c) Drawing
  - d) Additional Commercial & Technical Conditions
  - e) General Specifications
  - () Relevant IS or other international code in case IS code is available.
- 7.2 If there are varying or conflicting provisions made in any one documents forming part of the Contract, the Accepting Authority shall be the deciding authority with regard to the intention of the document.
- 7.3 Any error in description, quantity or rate in Schedule of Quantities or any omission there from shall not vitiate the Contract or release the Contractor from the execution of the whole or any part of the Works comprised therein according to drawings and specifications or from any of his obligations under the Contract.
- 7.4 If on check there are found to be differences between the rates given by the contractor in words and figures or in the amount worked out by him in the schedule of quantities and general

summary, the following procedure shall be followed: -

- a) When there is a difference between the rates in figures and in words, the rates which correspond to the amounts worked out by the contractor shall be taken as correct.
- b) When the amount of an item is not worked out by the contractor, or if it does not correspond with the rates written either in figures or in words, then the rate quoted by the contractors in words shall be taken as correct.
- c) When the rate quoted by the contractor in figures and in words tallies, but the amount is not worked out correctly, the rates quoted by the contractor shall be taken as correct and not the amount.
- Security Deposit: Total security deposit shall be @5% of the accepted tender cost and shall be deposited/deducted by/from the contractor as following: -
- 9. <u>Time and Extension for Delay</u>: The time allowed for execution of the works as specified in the Appendix or the extended time in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence as per the date mentioned in the letter of award. If the Contractor commits default in commencing the execution of the work as aforesaid, AIIMS Kalyani shall without prejudice to any other right or remedy be at liberty to forfeit the carnest money absolutely.
- 9.1 As soon as possible after the Contract is concluded the Engineer-in-Charge and the Contractor shall agree upon a Time and Progress Chart. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades or sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the Contractor within the limitations of time imposed in the Contract Documents

## 9.2 If the work be delayed by

- (a) Force majeure or
- (b) Abnormally bad weather or
- (b) Scrious loss or damage by fire, or
- (c) Civil commotion, local combination of workmen strike or lockout, affecting any of the trades employed on the work, or
- (d) Delay on the part of other contractors or tradesmen engaged by AHMS Kalyani in executing work not forming part of the contract, or
- (e) Any other cause which, in the absolute discretion of the authority mentioned in Appendix is beyond the Contractor's control;

Then upon the happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the Works.

9.3 Request for extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor

may also if practicable, indicate in such as request the period for which extension is desired.

- 9.4 In any such case, the competent authority may give a fair and reasonable extension of time for completion of the work. Such extension shall be communicated to the contractor by the Engineer-in-Charge. In case the Extension of time is given to the contractor without levy of any L.D. based on the merit of the case, the contractor in no case shall claim any compension whatsoever for the extended period and the decision of the AIIMS Kalyani shall be binding on the contractor.
- 10. The Contractor shall arrange, at his own expense, all tools, plant and equipment hereafter referred to as (T & P) labour, and P.O.L.

#### 11. FORCE MAJEURE:

Any delays in or failure of the performance of either party herein shall not constitute default hereunder or give rise to any claim for damages, if any, to the extent such delays or failure of performance is caused by occurrences such as Act of god or the public enemy; expropriation or confiscation of facilities by Government authorities, or in compliance with any order or request of any Governmental authorities or due acts of war, rebellion or sabotage or fires, floods, explosions, riots or illegal joint strikes of all the workers of all the contractors.

### 12. MATERIALS:

- a) All materials to be provided by the Contractor shall be in conformity with the specifications laid down in the contract and the Contractor shall, if requested by the Engineer-in-Charge, furnish proof to the satisfaction of Engineer-in-Charge in this regard.
- b) The contractor shall indemnify the AIIMS Kalyani, its representatives or employees against any action, claim or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties or other charges which may be payable in respect of any article or material or part thereof included in the Contract. In the event of any claim being made or action being brought against the AIIMS Kalyani or any agent, servant or employee of the AIIMS Kalyani in respect of any such matters as aforesaid, the Contractor shall immediately be notified thereof.
- c) All charges on account of octroi, terminal or sales tax and other duties on material obtained for the Works from any source shall be borne by the Contractor.
- d) The Engineer-in-Charge shall be entitled to have tests carried out as specified as per relevant standard code of practice for any materials supplied by the Contractor even for those for which, as stated above, satisfactory proof has already been furnished, at the cost of the Contractor and the Contractor shall provide at his expense all facilities which the Engineer-in-Charge may require for the purpose. The cost of materials consumed in tests shall be borne by the Contractor.
- e) Stores and Materials required for the works, brought by the Contractor, shall be stored by the Contractor only at places approved by the Engineer-in-Charge. Storage and safe custody of material shall be the responsibility of the contractor.
- i. AIIMS Kalyani's officials concerned with the Contract shall be entitled at any time to inspect and examine any materials intended to be used in or on the works, either on the Site or at factory or workshop or other place(s) where such materials are assembled, fabricated or at any place(s) where these are lying or from where these are being procured and the contractor shall give such facilities as may be required for such inspection and examination.
- ii. All materials brought to the Site shall become and remain the property of the AIIMS Kalyani

and shall not be removed off the Site without the prior written; approval of Engineer-in-Charge of the AHMS Kalyani. But whenever the works are finally completed the Contractor shall, at his own expense forthwith, but with the prior approval form the AHMS Kalyani, remove from the Site all surplus materials originally supplied by him and upon such removal the same shall revert in and become the property of the contractor. However before given any approval as aforesaid the AHMS Kalyani shall be entitled to recover or adjust any amount given as advance to the Contractor.

### 13. Labour laws and payment of wages to be complied:

- 14.1 As per Building & Other construction workers' Welfare Cess Act, 1996, labour cess @1% will be deduct from the bills.
- 14.2 The contractor shall comply the labour laws in force. No labour below the age of eighteen years shall be employed on the works. The tenderer should make their own arrangement for the assign of all labour trained in the particular field of work preferably local.
- 14.3 The contractor shall comply full with local laws dealing with the employment of persons including the employment of children act 1938, payment of wages act 1936, the workmen compensation act 1923, Industrial dispute act 1947, the factories act 1948, mate benefit act 1961, the contractor's labour (Regulation and abolition) act 1970, the minimum wages act 1978 and any statutory amendments or re-amendments thereof for the time being in force. The labour license shall be taken by the contractor as per rules.
- 14.4 In respect of all laborers directly or indirectly employed in the work for the performance of the contractor's part of this contract, the contractor shall his own expense arrange the safety provision as per safety code framed from time to time and shall his own expense provide for all facilities in connection therewith. Incase, the contractor fails to make arrangement and provide necessary facilities as aforesaid he shall be responsible for any compensation for each default and in addition the Engineer-In-Charge shall be at liberty to make arrangement and provide facilities as aforesaid and recover the costs incurred in that behalf from the contractor.
- 14.5 All the liabilities regarding EPF or ESI of the labours/workmen engaged at the work, wherever applicable as per the prevailing Central or State government norms, shall be borne by the contractor. AIIMS Kalyani shall not be responsible for any liability/claims whatsoever in this regard. Further as and when demanded by the AIIMS Kalyani, the contractor shall submit the proof of deductions/ deposits of such liabilities of their labors/ workmen engaged in the work to the AIIMS Kalyani. In case of default, the AIIMS Kalyani may deduct the payments against these liabilities from the bills of the contractor or may stop the payment of the bill till such time until the compliance is proved by the contractor.

## 14. Liquidated Damages for Delay

14.1 Time is essence of the contract. In case the CONTRACTOR fails to complete the whole work within the stipulated period, and clear the site, he shall be liable to pay liquidated damages @ 0.5% (One half of one percent only) of the value of contract per week and or part thereof of the delay subject to a maximum of 10% (ten percent only) of the value of the contract. The parties agree that this is a genuine pre-estimate loss / damage which will be suffered on account of delay on the part of the Contractor and the said amount will be payable on demand without there being any proof of the actual loss of damages caused by such delay.

#### 15. Contractor's Liability and Insurance

From commencement to completion of the works, the Contractor shall take full responsibility, care of and precautions to prevent loss or damage and to minimize loss or damage to the greatest extent possible and shall be liable for any damage or loss that may happen to the Works or any part thereof from any cause whatsoever (save and except the Excepted Risks) and shall at his

own cost repair and make good the same so that, at completion, the works shall be in good order and conditions and in conformity in every respect with the requirements of the Contract and instructions of the Engineer-in-Charge.

- 15.1 In the event of any loss or damage to the Works or any part thereof or to any material or articles at the Site from any of the Excepted Risks the following provisions shall have effect:
  - a. The Contractor shall, as may be directed in writing by the Engineer-in-Charge, remove from the site any debris and so much of the works as shall have been damaged.
  - b. The Contractor shall, as may be directed in writing by the Engineer- in-Charge, proceed with the completion of the works under and in accordance with the provisions and Conditions of the Contract.
- 15.2 Provided always that the Contractor shall not be entitled to payment under the above provisions in respect of so much loss or damage as has been occasioned by any failure on his part to perform his obligations under the Contract or not taking precautions to prevent loss or damage or minimize the amount of such loss or damage.
- 15.3 The Contractor shall indemnify and keep indemnified the AIIMS Kalyani against all losses and claims for injuries or damage to any persons or any property whatsoever which may arise out of or in consequence of the construction and maintenance of works and against all claims, demands proceedings, damages costs, charges and expenses whatsoever in respect of or in relation thereto. Provided always that nothing herein contained shall be deemed to render the Contractor liable for or in respect of or to indemnify the AIIMS Kalyani against any compensation or damage caused by the Excepted Risks.
- 15.4 Before commencing execution of the work, the Contractor shall, without in any way limiting his obligations and responsibilities under this condition, obtain and deposit with the AHMS Kalyani-Contractors "All Risk Policy" and "Third Party" Insurance policy.
- 15.5 The Contractor shall at all times indemnify the AIIMS Kalyani against all claims, damages or compensation under the provisions of Payment of Wages Act, 1936, Minimum Wages Act. 1948, Employer's Liability Act, 1938 the Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947 and the Maternity Benefit Act. 1961 or any modifications thereof or any other law relating thereto and rules made thereunder from time to time.
- 15.6 The Contractor shall provide to the Engineer-in-Charge from time to time that he has taken all the insurance polices referred to above and has paid the necessary premiums for keeping the policies alive till expiry of the Defects Liability Period.
- 15.7 All statutory deductions as applicable like TDS, sales tax/VAT shall be made from the due payment of the contractor.
- 15.8 No claim for interest will be entertained by the AIIMS Kalyani in respect of any balance payments or any deposits which may be held up with the AIIMS Kalyani due to any dispute between the AIIMS Kalyani and contractor or in respect of any delay on the part of the AIIMS Kalyani in making final payment or otherwise.
- 15.9 The contractor shall ensure that no materials/wastes/plant, equipment's etc. are dumped at the site. In case any of the above items are dumped the contractor shall clear the same from the site by or before completion of the work at his own cost or otherwise NSIC (National Small Industries Corporation) will carry out the work at the contractor's risk and cost after 7 days notice.

15.10 The contractor will have to make suitable arrangement at his own cost for facilitating movement of labour to work site and back. Facilities are to be given to labour as per statutory provision at no extra cost to NSIC.

### 16. PAYMENTS:

The following percentage of contract rates for the various items included in the contract shall be payable against the stage of works shown herein:

- i. 50% after initial inspection and delivery at site in good conditions of pro rata basis.
- ii. 30% after completion of installation in all respect.
- iii. Balance 20% will be paid after testing, commissioning trail run & handing over to the department for beneficial use.

The TDS and security deposit as applicable shall be effected from the each stage of payments.

#### 17. MOBILISATION ADVANCE:

No mobilization advance whatsoever shall be paid for carrying out this work.

Digitally signed by MUGUNTHAN Date: 2024.11.14 18:02:43 IST

### ADDITIONAL COMMERCIAL & TECHNICAL CONDITIONS

#### 1. General

- 1.1 This specification covers manufacture, testing as may be necessary before dispatch, delivery at site, all preparatory work, assembly and installation, commissioning putting into operations of Lifts.
- 1.2 Location: The Lifts shall be installed at Guest House, AHMS Kalyani, West Bengal-741245.
- 1.3 The work shall be executed as per CPWD General Specifications for Electrical Works (Part III Lifts & Escalators 2003), as per relevant IS and as per directions of Engineer-in-Charge. These additional specifications are to be read in conjunction with above and in case of variations; specifications given in this Additional conditions shall apply. However, nothing extra shall be paid on account of these additional specifications & conditions as the same are to be read alongwith schedule of quantities for the work.
- 1.4 The tenderer should in his own interest visit the site and familiarizes himself with the site conditions before tendering.
- 1.5 No T&P shall be issued by the AIIMS Kalyani and nothing extra shall be paid on account of this.

## 1.6 Submission and opening of Tenders:

- a. The tenderers are advised not to deviate from the technical specifications/items, commercial terms and conditions of NIT like terms of payment, guarantee, arbitration clause, escalation etc.
- b. The technical cum commercial bid only, shall be opened first on the due date and time, as specified in the NIT in the presence of tenderers or their authorized representatives who wish to remain present.
- c. Scrutiny/evaluation of the Technical-cum-commercial bid shall be done by the AIIMS Kalyani or in consultation with any agency as deemed necessary by the AIIMS Kalyani. In case it is found that the technical-cum-commercial bid of a tenderer is not in line with NIT specifications, requirements and/or contains many deviations, the AIIMS Kalyani reserves the right to reject the technical bid of such (irms(s) without making any reference to the tendere(s).
- d. Necessary clarifications required by the AIIMS Kalyani shall have to be furnished by the tenderer within the time given by the AIIMS Kalyani for the same. The tenderer will have to depute his representative to discuss with the officer(s) of the AIIMS Kalyani as and when so desired. In case, in the opinion of the AIIMS Kalyani a tenderer is taking undue long time in furnishing the desired clarifications, his bid will be rejected without making reference.
- c. After obtaining clarifications from all the tenderers, the AIIMS Kalyani may modify the technical & commercial conditions/specifications if required, and will intimate the tenderers whose technical cum commercial bids are acceptable. The date and time of opening of pricebid will be intimated in advance.
- f. In the price bid, there shall be no conditions whatsoever. In case any tenderer mentions any condition including conditional rebates in their price part, tender shall be rejected forthwith. A tendered will also not be allowed to withdraw or modify any condition at a time after the technical bids have been accepted and the decision to open the price bid has been taken by the AIIMS Kalyani.

Digitally signed by MUGUNTHAN Date: 2024.11.14 18:02:43 IST

#### 2. Rates:

2.1 The rates quoted by the tenderer, shall be firm and inclusive of all taxes / octroi (including works contract taxes / Service tax), duties and levies and all charges for Packing forwarding, insurance, freight and delivery, installation, testing, Commissioning, warrantee, defect liability, variation of labour rates ,preventive and comprehensive maintenance,ctc. at site i/c temporary constructional storage, risks, overhead charges general liabilities /obligations and clearance from local authorities.

## 3. Completeness of tender:

All sundry equipment, fittings, unit assemblies, accessories, hardware items, foundation bolts, termination lugs for electrical connections, and all other items which are useful and necessary for efficient assembly and installation of equipment and components of the work shall be deemed to have been included in the tender irrespectively of the fact whether such items are specifically mentioned in the tender documents or not.

4. For item/equipment requiring initial inspection at manufacturers's works' the contractor will intimate the date of testing of equipments at the manufacturer's works before dispatch. The AIIMS Kalyani also reserves the right to inspect the fabrication job at factory and the successful tenderer has to make the arrangement for the same. The successful tenderer shall give sufficient advance notice regarding the dates proposed for such tests/inspection to the AIIMS Kalyani's representatives(s) to facilities his presence during testing/fabrication. The Engineer-in-charge at his discretion may witness such testing/fabrication. The cost of the Engineer's visit to the factory will be borne by the AIIMS Kalyani. Also equipment may be inspected at the Manufacturer's premises, before dispatch to the site by the contractor.

## 5. Storage and Custody of materials:

The Lift machine room may be used for storage of sundry materials and erection equipments if available or else the agency has to make his own arrangement. No separate storage accommodation shall be provided by the department. Watch and ward of the stores and their safe custody shall be the responsibility of the contractor till the final taking over of the installation by the department.

## 6. Care of the Building:

Care shall be taken by the contractor while handing and installing the various equipments and components of the work to avoid damage to the building. He shall be responsible for repairing all damages and restoring the same to their original finish at his cost. He shall also remove at his cost all unwanted and waste materials arising out of the installation from the site of work.

## 7. Completion of period

The completion period of 05 months indicated in the tender documents is for the entire work of planning, designing, supplying, installation, testing, commissioning and handing over of the entire system to the satisfaction of the Engineer-in-charge.

#### 8. Performance Guarantee:

The tender shall guarantee among other things, the following

- i. Quality, strength and performance of the materials used.
- Safe mechanical and electrical stress on all parts under all specified conditions of operations.
- iii. Satisfactory operation during the maintenance period.

#### 9. Guarantee

9.1 All equipment shall be guaranteed for a period of 12 months from the date of taking over the installation by the department against unsatisfactory performance and/or break down due to defective design, workmanship of material. The equipments or components, or any part thereof, so found defective during guarantee period shall be forthwith repaired or replaced free of cost, to the satisfaction of the Engineer-in Charge. In case it is felt by the AHMS Kalyani that undue delay is being caused by the contractor in doing this, the same will be got done by the AHMS Kalyani at the risk and cost of the contractor. The decision of the Engineer-in- Charge in this regard shall be final.

### 10. Power Supply

Electric service connection of 415 V, 3 phase, 4 wire, 50 Hz, AC supply shall be provided by the AHMS Kalyani for installation purpose free of charge.

## 11. Water Supply

Water supply shall be made available by the AIIMS Kalyani at one point.

#### 12. Data Manual and Drawings to be furnished by the tenderers:

The tenderer shall furnish along with the tender, detailed technical Literature, pamphlets and performance data for appraisal and evaluation of the offer, all in triplicate.

## 13. Inspection and testing:

- 13.1 Copies of all documents of routine and type test certificates of the equipment, carried out at the manufacturers premises shall be furnished to the Engineer-in -charge and consignee.
- 13.2 After completion of the work in all respect the contractor shall offer the Installation for testing and operation.

#### 14. Validity

Tenders shall be valid for acceptance for a period of 180 days from the last date of application.

## 15. Compliance with Regulations and Indian standards

- 15.1 All works shall be carried out in accordance with relevant regulation, both statutory and those specified by the Indian Standards related to the works covered by these specifications. In particular, the equipment and installation will comply with the following:
  - i) Factories Act
  - ii) Indian Electricity Rules
  - iii) I.S. & BS Standards as applicable
  - iv) Workmen's compensation Act
  - v) Statutory norms prescribed by local bodies like CEA, NDMC etc.
- 15.2 Nothing in this specification shall be construed to relieve the successful tenderer of his responsibility for the design, manufacture and installation of the equipment with all accessories in accordance with current applicable statutory regulations and safety codes.
- 15.3 Successful tenderer shall arrange for compliance with statutory provisions of safety regulations and departmental requirements of safety codes in respect of labour employed on the work by the tenderer. Failure to provide such safety requirement would make the tenderer liable for penalty of Rs. 500/- for each default. This will be in addition to stoppage/ restricting of work till making such safety arrangements.

- 15.4 The installation shall be carried out in conformity with the local lifts Act and Rules. Where no local Lifts Act is in force CPWD General Specifications for Electrical Works (Part III Lifts & Escalators 2003) shall be followed. The Extracts of Lift Act and Rules as applicable may be taken from CPWD General Specifications for Electrical Works (Part-III Lifts & Escalators)-2003.
- 15.5 Designing, manufacturing, testing, installation and maintenance of lift installations should be in accordance to the Relevant IS Codes as appended in CPWD General Specifications for Electrical works (Part-III Lift & Escalators)-2003, with upto date correction slips, if any.

## 16. Indemnity

The successful tenderer shall at all times indemnify the AIIMS Kalyani, consequent on this works contract. The successful tenderer shall be liable, in accordance with the Indian Law and Regulations for any accident occurring due to any cause and the AIIMS Kalyani shall not be responsible for any accident or damage incurred or claims arising therefrom during the period of erection, construction and putting into operation the equipments and ancillary equipment under the supervision of the successful tenderer in so far as the latter is responsible. The successful tenderer shall also provide all insurance including third party insurance as may be necessary to cover the risk. No extra payment would be make to the successful tenderer due to the above.

#### 17. Erection Tools

No tools and tackles either for unloading or for shifting the equipments for crection purposes would be made available by the AHMS Kalyani. The contractor shall make his own arrangement for all these facilities.

#### 18. Cooperation with other agencies

The contractor shall co-ordinate with other contractors and agencies engaged in the construction of building, if any, and exchange freely all technical information so as to make the execution of this works contract smooth. NO remuneration should be claimed from the AHMS Kalyani for such technical cooperation. If any unreasonable hindrance is caused to other agencies and any completed portion of the work has to be dismantled and re-done for want of cooperation and coordination by the successful tenderer during the course of work, such expenditure incurred will be recovered from the successful tenderer if the restoration work to the original condition or specification of the dismantled portion of the work was not undertaken by the successful tenderer himself.

## 19. Verification of correctness of Equipment at Destination

The contractor shall have to produce all the relevant records to certify that the genuine equipment from the manufacturers has been supplied and erected.

#### 20. Maintenance

- 20.1 Sufficient trained and experienced staff shall be made available to meet any exigency of work during the guarantee period of one year from the handing over of the installation i.e. for the Defect liability period.
- 20.2 The maintenance, routine as well as preventive for one year from the date of taking over the installation as per manufacturers recommendation shall be carried out and the record of the same shall have to be maintained.

## SPECIAL CONDITIONS OF CONTRACT

Name of Work: Supply, installation, Testing & Commissioning of 02 Nos. 13 Passenger Lift at Guest House, AIIMS Kalyani.

- Interested Tenderer may visit the above site in their own interest to examine the head room, pit
  depth and other space and site details whichever is necessary which would enable them to
  submit their bid in a confident and informed manner. Tenderer to meet Technical Specifications
  as per IS standards & guidelines of CPWD General Specifications for Electrical Works (Part
  III Lifts & Escalators 2003).
- 2. The entire job is required to be undertaken by the Tenderer on a **Turnkey Basis**. However, AIIMS would provide the following:
  - i. In-comer for the electric supply up to the main MCB.
  - ii. Storage space at the site as required by the Tenderer.
  - iii. Lighting of shaft & machine room.
  - iv. Power, electricity & running water etc.
- If any damage takes place to the structure of the shaft/building during work, same will be repaired by the Tenderer.
- 4. It is the responsibility of the Tenderer to arrange for inspection for the issue of lift License required for the use of passengers before putting the lift into service & handed over for use to AlIMS, Kalyani.
- Insulation and other tests applicable to the electric Lift shall be done as per relevant IS standards in presence of AIIMS, Kalyani officials and accordingly make available relevant certificates.
- 6. Electrical installation shall be carried out in accordance with the specifications, local rules, Indian Electricity Act 1910 as amended up to date and rules issued there under. All items of work under this contract shall be executed strictly to fulfill the requirement as laid down in the specifications.
- 7. The design, material, construction, manufacture, inspection, testing and performance of induction motors shall comply with all currently applicable status, regulations and safety codes in the locality where the equipment will be installed. The equipment shall also conform to the relevant Indian standard or equivalent BSS or latest applicable standards.
- 8. During working at site, some restrictions may be imposed by Engineer-in- Charge/Security staff of AIIMS Kalyani or Local Authorities regarding safety and security etc., the contractor shall be bound to follow all such restrictions/instruction & nothing extra shall be payable on this account.
- No labour hutment shall be allowed in the premises. All labourers should leave the site after day's work. The security & Watch ward of site contractor materials/work etc. shall be at his cost only.
- All rates quoted by the bidders shall remain firm for the contract period/extended contract period.
- 11. If the contractor fails to proceed with the work within the stipulated time as specified from the date of issue of letter of intent/letter to proceed with the work, the AHMS Kalyani shall forfeit the carnest money deposited by him along with the tender.

- 12. All the civil works like fixing of load hooks, making chases in the wall, drilling of holes, fixing of doors and finishing of jambs, providing scaffolding for carrying out complete works including carrying all works in machine room shall be arranged by the tenderers and nothing extra on this account shall be considered or paid.
- 13. In addition to the manufacture, supply, installation, testing and commissioning of the lift including all auxiliary equipments, following works shall be deemed to be included within the scope of the work to be done by the contractor and nothing extra on this account shall be paid.
  - i. All minor building work necessary for installation of equipment such as making of opening in walls/ floors, either of RCC or brick masonry, etc., and restoring them to original condition and finish. The scope of minor building work includes all grouting and anchoring of all boards, clamps, supports, foundation bolts, installation in position of R.S. joist in the machine room, lift well or in the pit, such works shall exclude cutting of marble work and construction of partition wall wherever involved.
  - ii. Supply of necessary R.S. Joist or angle iron supports brackets, etc., for installation of the lift, either in the machine room or at other places as may be necessary including their installation in position.
  - iii. All electrical works except bringing in main connection and earth connection to the machine room terminated on suitable switch fuse unit/ board. All electrical works including inter-connection from this switch/ board and loop carthing from the earth bar to be provided in the machine room shall be done by the successful contractor. Responsibility to ensure safety of lift materials against pilferage and damage till the installation is handed over to the consignee.
  - iv. All scaffolding as may be necessary in the lift well during erection work and subsequently removed.
  - v. Temporary barricades with caution boards at each landing to prevent accident during execution of work.
  - 14. The work is turn key project. Any item required for completion of the project but left in-advertently shall be executed within the quoted rates.
  - 15. The contractor shall be fully responsible for the any injury or damaged caused to the workmen deployed at site for carrying out the work and AHMS Kalyani has nothing to do with such happenings and in no way shall be held responsible for the same.
  - 16. All communication should be addressed to Superintending Engineer, AHMS Kalyani.
