

## 4<sup>th</sup> Faculty Development Programme on Basics of Medical Education Technologies

Medical Education Unit of AllMS Kalyani has successfully conducted the 4<sup>th</sup> Faculty Development Programme on Basics of Medical Education Technologies from 6<sup>th</sup> March 2025 to 8<sup>th</sup> March 2025, with the aim of improving the quality of medical education in our institute by sensitising the medical faculty on newer concepts in teaching and assessment methods. Total of 19 Faculty members attended the workshop.
