

## 5th Faculty Development Programme on Basics of Medical Education Technologies

The Medical Education Unit of AIIMS Kalyani conducted the 5th Faculty Development Program from December 4th to 6th, 2025. **Prof. (Dr.) Arvind Sinha**, Executive Director, inaugurated the workshop. Nineteen faculty members from the institute received training on basic health profession education techniques, including hands-on activities. The assessment reveals that participants acquired significant knowledge and skills through this program.
